GOVERNMENT'S REQUESTED VOIR DIRE QUESTIONS

General

1. Is there anything about the charges in this case that makes you unwilling or reluctant to serve as a juror?
2. Do you have any principles based on your religious or ethical teachings that would affect your ability to serve as a fair and impartial juror?

Alien and Worker Exploitation Issues

3. Do you disagree that the laws of this country should apply equally to everyone inside the United States, regardless of where they come from or their citizenship?
4. Do you believe that too much is made of labor abuses in the C.N.M.I., and that an alien who came from China should simply be happy that they are here and not make trouble?
5. Are you worried that the C.N.M.I.'s reputation is being harmed by the bad publicity about human trafficking on Saipan? If yes, would this possible harm or embarrassment to the C.N.M.I. make you think twice about returning a guilty verdict?
6. Do you believe that too much government money is spent trying to protect alien workers from crimes committed by other alien workers?

Prostitution

7. Do you believe that prostitution should be legal? If yes, would this belief make you think twice about returning a guilty verdict if someone is guilty of prostitution or promoting prostitution?
